

Well Pet Dog and Cat Clinic Hours

Monday through Friday 6pm to 7pm

Tuesdays & Fridays 2pm to 4pm

There may be a wait for this service

Aggressive or difficult pets are not eligible for this service

Adult Pets only (12 months or older)

Pets that have vaccine allergies are excluded

You may schedule an appointment within 24 hours of the desired day or arrive as a “walk in”. However, priority will be given to those with scheduled appointments. Services are offered only at the Chatham Animal Hospital location, 105 Oceana Place, Cary at this time.

This service is intended for pet owners:

(1) **That believe their pet has no ailments** (2) Are in search of a cost effective means to update vaccinations and routine lab tests (heartworm and intestinal parasite screens) and (3) Understand that this is a well pet service and therefore cannot address any issues other than the well dog or cat.

Vaccination Suitability Exam**: \$27.00

Heartworm Antigen Test : \$ 20.48

Off Heartworm Prevention Same Day Test: \$57.98

Intestinal Parasite Exam (Fecal-by centrifugation): \$34.89

Feline Retroviral FELV/FIV: \$48.99

CATS

Feline Rabies Vaccination (1 year): \$16.43

Leptospirosis: \$17.38

Lyme: \$22.37

N2+N8 BiVal (Influenza): \$24.50

De-worming medications will also be offered at a reduced price depending on:

A) The type of intestinal parasites found-----

B) The size and species of animal being treated

Common prices are: Cats \$10-20 and Dogs \$20-30

**** The clinic vaccination physical exam is used to assess the animal’s suitability to receive immunization(s). The purpose of this program is to provide a low cost alternative for healthy animals. If other problems are found that need to be addressed, or prevent immunization(s) from being done, another appointment can be scheduled to address these issues. 7-17 cmf**
